Reactivation Endorsement

It is a condition of these insurances that if the vessel is laid-up for a period of more than 180 days, the vessel shall not depart the berth or place of lay-up (except for the purpose of moving under tow to another lay-up berth or location in the same port or general area) prior to a reactivation survey of the vessel by a surveyor approved by underwriters, and the completion of, or compliance with, any repairs or recommendations required by such surveyor. Such survey to be for account of the assured.

All other terms and conditions remaining unchanged.
