(a) in relation to any clause which excludes losses from the cover, insurers may agree a separate insurance policy covering such losses or may extend the clause to cover such events;

TERMINATION OF TRANSIT CLAUSE (TERRORISM) 2009 (JC2009/056)

Following the release of the Institute Cargo Clauses (A), (B), (C) and the ICC War and ICC Strikes dated 1 January 2009, the Joint Cargo Committee has produced an updated Cargo Termination of Transit Clause (Terrorism) for use with these clauses. The wording reflects the revised terrorism definition and updated termination provisions contained in the 2009 ICC. The opportunity has also been taken to remove the English Law & Practice provision as it is thought that this will be dealt with elsewhere within the insurance contract.

For ease of use the new clause has been referenced as JC2009/056

It should be noted that this clause is purely illustrative and different policy conditions may be agreed. Specimen clauses are available to any interested person upon request. In particular:

- a) in relation to any clause which excludes losses from the cover, insurers may agree a separate insurance policy covering such losses or may extend the clause to cover such events;
- b) in relation to clauses making cover of certain risks subject to specific conditions each insurer may alter the said conditions.
